## The Best & Beyond...

Akash International School wishes to prepare the children to face life better than anyone else. Life skills, Soft skills, Behavioural skills and Study skills are the part and parcel of regular education in AIS. The journey to success has its origin in one's mind. AIS helps encourage this mind to open out towards new vistas - the parachute which works only when it is opened.

AIS teaches the children to rise from the level of watchers to doers and achievers. We wish for them to evolve as leaders who help guide others towards success. AIS instills confidence among its wards in them and ensure that "THINK U CAN" is the central theme in all their endeavours.

Akash International School develops a positive leadership amongst the children who set a positive culture for positive goal to build positive reputation to get positive results lead a positive team which help them achieve permanent and everlasting world peace.

# Curiosity Begins Here...

Akash International School ensures a healthy balance between a secure and happy environment, in which our students can be nurtured and encouraged to lead a disciplined value based life.

The academic program, while rooted in the supportive classroom environment, extends to include supervised homework and academic assistance. AIS is a family school with a strong emphasis on tolerance and social awareness.

Educators recognise the importance of equipping their students with the necessary skills to develop their full potential, not only academically, but in all spheres of life. AIS is a unique school where "it's cool to be clever". In fact, at AIS, it's cool to just be yourself.

### Foundations for a Solid Future...

#### **ACADEMICS**

At AIS, we cultivate a positive and nurturing environment where children are supported, challenged, and inspired to reach their full potential. Our focus lies in delivering an ethics- and values-driven education program that shapes well-rounded individuals.

# Learning is Fun

AIS is a school that will take your child on a Journey; a voyage of wonder and discovery, supported all the way by high quality teaching and magnificent guidance and care.

## Healthy Minds & Bodies...

We are well-known for our strong academic programs and for our exceptional academic track record. Thus AIS enables the majority of students leaving from our Higher Secondary School to move on to tertiary institutions.

Our academic success is grounded in our small class structure, which facilitates dynamic, interactive learning and guarantees each child receives individual attention. This makes it possible to identify both strengths and challenges and respond appropriately to them on a one-on-one basis.

We hand-pick our teachers for their commitment to our value system, for their academic qualifications for their ability to communicate and innovate, for their humane qualities and for their expertise in education.

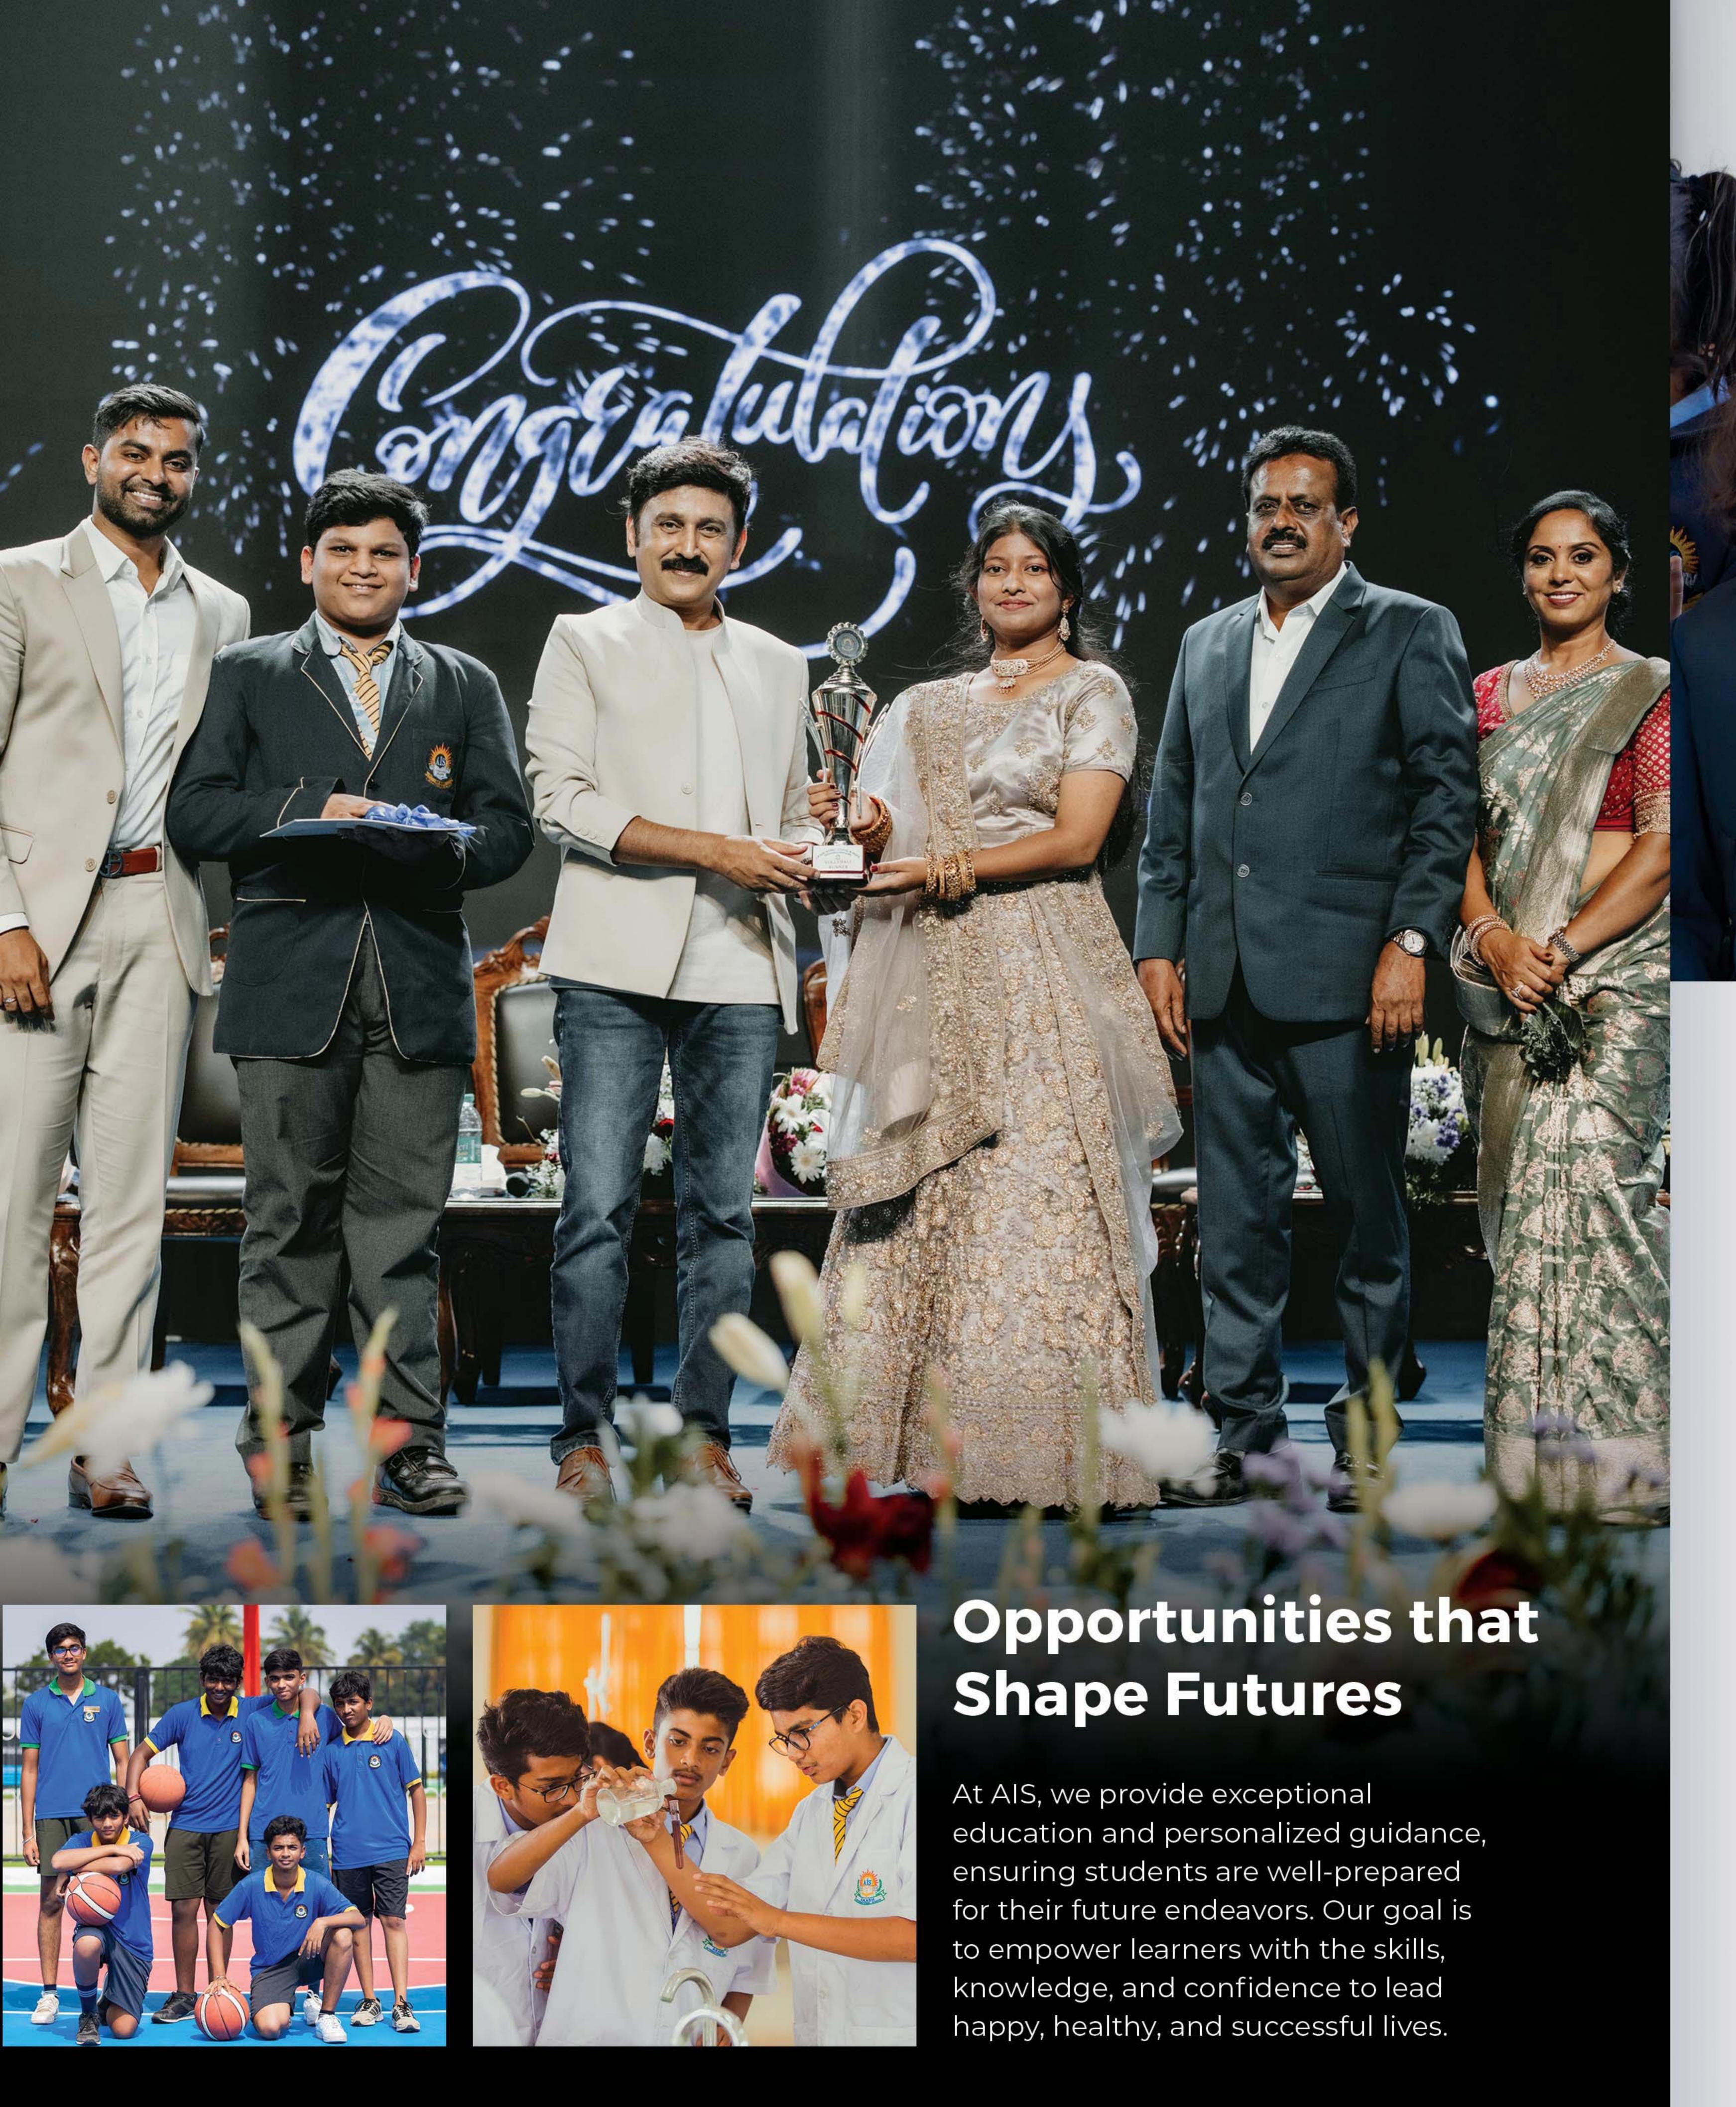

# Bright Future Starts Here...

Our goal is to instill a lifelong passion for learning in every student. Regardless of their interests or aspirations, we encourage all students to engage in activities beyond the classroom, enriching their overall development.

Our cultural programs offer a diverse array of opportunities, from traditional dance forms to cinematic performances, providing students with platforms to showcase their talents and creativity.

In the realm of sports, our highly qualified instructors guide students in honing their skills and excelling in various disciplines. With dedicated coaching in cricket, football, table tennis, swimming, and more, we ensure that every student has the opportunity to pursue their athletic potential.

# A Happy, Caring Community

Children thrive in environments where care and support are at the core of learning. At AIS, we take pride in fostering a warm, family-like atmosphere where every student is valued, respected, and understood.

We encourage all students to reach their full potential while developing maturity, responsibility, and empathy. Our prefects play an active role in maintaining a positive school environment, while older students mentor younger peers, assisting with academics and offering guidance on personal growth.

Beyond the classroom, AIS promotes a culture of kindness and inclusivity, where teamwork, leadership, and community engagement are integral to every student's journey. Through collaborative activities, outreach programs, and peer-led initiatives, we nurture compassionate individuals who are prepared to contribute meaningfully to society.

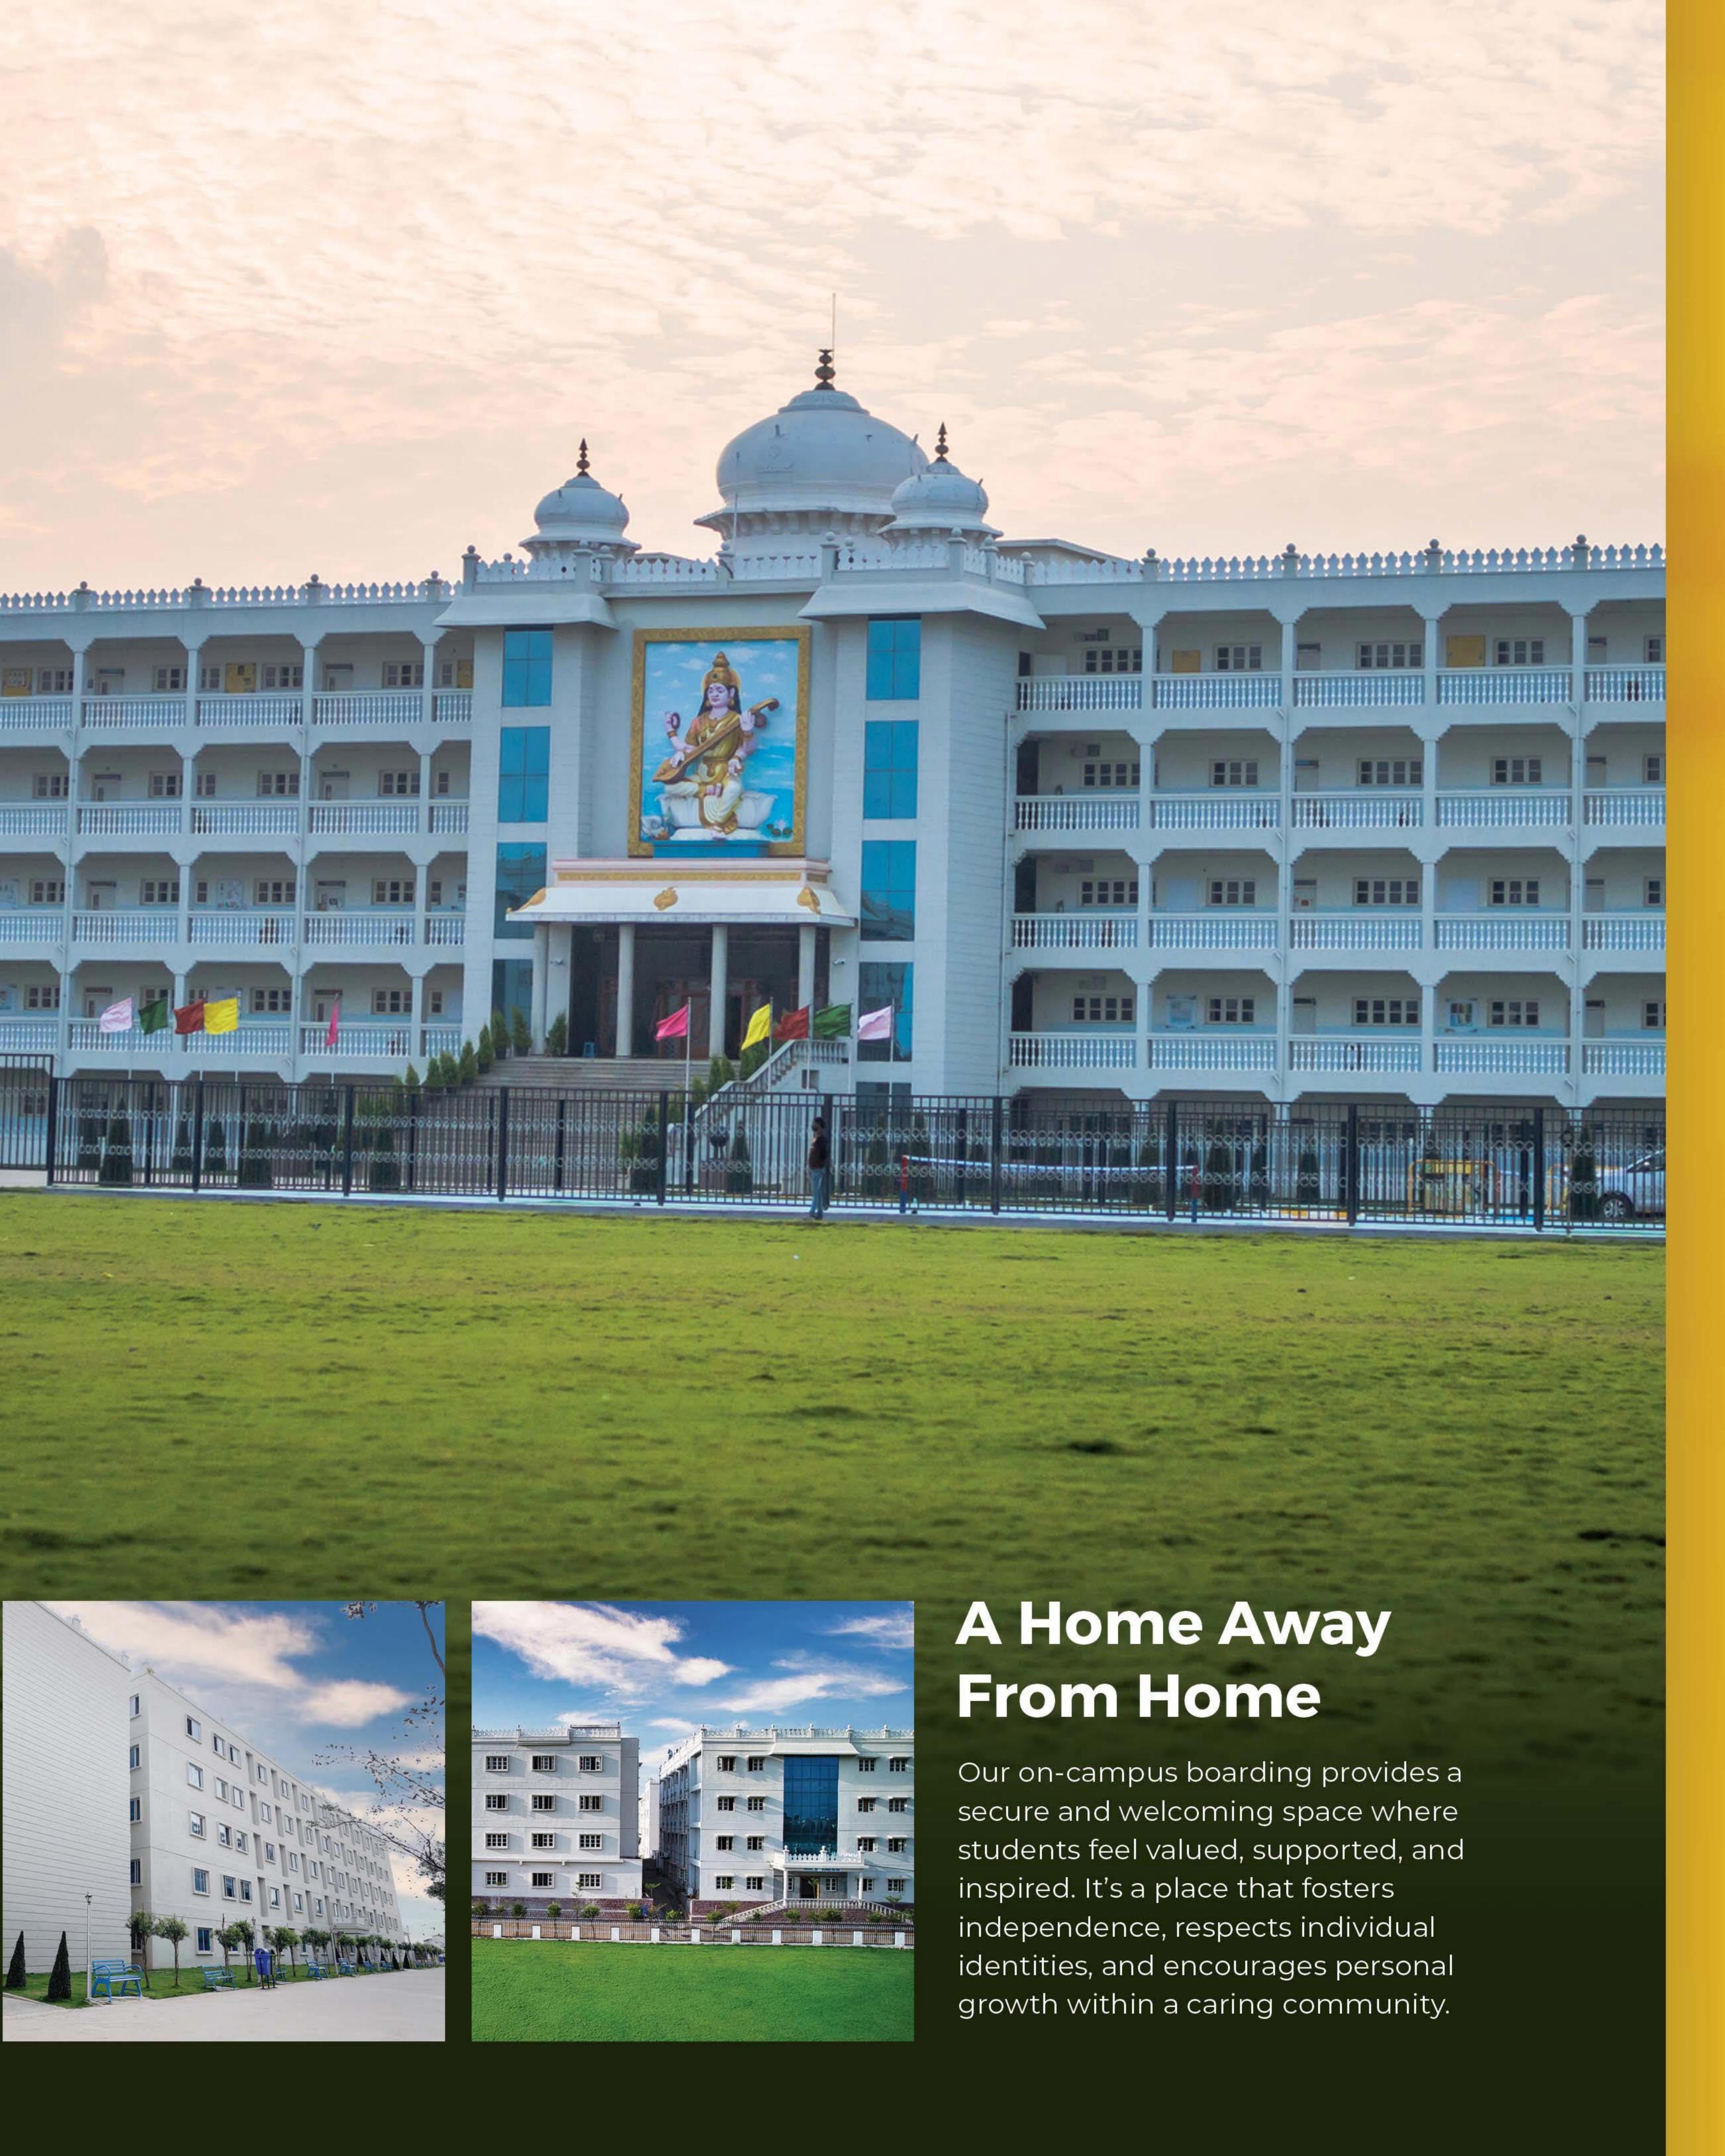

# Shaping Responsible Citizens

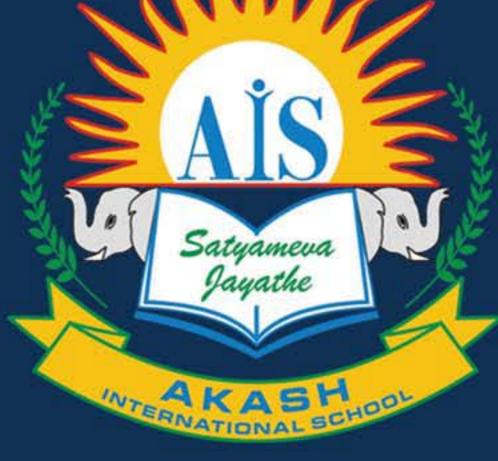

At AIS, our mission is to nurture confident, responsible individuals who contribute positively to society. We instil core values of empathy, integrity, and leadership, encouraging students to prioritize community welfare over personal gain.

The Morning Assembly is a vibrant platform where students showcase their talents, build confidence, and are celebrated for their efforts. It serves as a space for fostering leadership skills and reinforcing lifelong values.

AIS offers a unique education that goes beyond academics, empowering every student to pursue individual excellence while becoming compassionate global citizens.
